

**Dear,  
Parents, Instructors and Dancers**

As you know the Daughters of Penelope Dance committee has decided to tentatively push the start date of Greek Dancing to **January 11, 2021**. This proposed date is dependent on couple of items:

1. The status of Covid-19 within Regina.
2. The number of dancers that register for the upcoming term.

We are committed to continuing the dance program while still adhering to current pandemic protocols and providing a safe environment for all Dancers and Instructors.

Below are the current protocols SaskExpress has in place as well as the protocols the Dance Committee will have during practices.

### **SaskExpress Protocols**

- All Dancers and Instructors are to enter using the south doors (parking lot) and exit using the north doors, arrows are placed throughout the facility to guide.
- If you are to arrive early, please remain in your vehicles until an Instructor or Director guides you in.
- All Dancers and Instructors must have indoor shoes and will need to take their outdoor shoes to the classroom, shoe and coat racks will be provided. If a dancer does not have shoes they will **NOT** be participating in the class, **No Exceptions**.
- Please maintain social distancing when in the facility – 6ft(2m).
- Dancers must bring their own water bottles.
- No breaks outside of the classroom.
- Use of the Bathroom or to refill Water bottle a mask must be worn.
- No seating available in the facility. If parents want to wait during the practice it will have to be in the parking lot in their car
- Classrooms will be sanitized in between classes
- If a dancer is experiencing any COVID symptoms they **MUST** stay home and inform the Directors or Instructor.

### **D.O.P Protocols**

- Dancers and Instructors will be wearing masks during the entirety of the practice
  - ❖ We are currently looking into custom masks printed with logo and dancer's name available for purchase. Depending on registration and interest, we will order accordingly
- We will have long cloths for each group to maintain social distancing while still dancing together.
- Instructors will be meeting dancers in the parking lot to bring them into the class, once it has been properly disinfected.
- All dancers and teachers will sanitize their hands as they enter the class

Due to the new protocols and limited space available to us at SaskExpress we needed to shift the class times and for some groups even the day. We understand this may make it difficult for some and we can revisit the newly proposed dates for those groups if it affects most of the group's attendance.

Below you will find the proposed times and dates for each group.

- ❖ Please note all Dancers will remain with the same Instructor/Number designation as they were before we had stopped due to the pandemic.
- ❖ These times are approximate and subject to change
