## Salute to Petros Aiginitis – Greek School Principal

Our community has been exceptionally lucky to have Petros Aiginitis involved with our Greek School for over 18 years. Petros started teaching Grades 5-6 back in 2003 and was a teacher for his first 4 years. Then in 2007, he took on the role of principal, which he has held for 14 years. This year will be his last year as acting principal, as he is stepping down at the end of June 2021.

Petros' time with the Greek School has been very rewarding for him. He loved the interaction he had with the students and getting to know the parents better. He enjoyed being there for the students and listening to the parents, as all these interactions entail having an open mind. Along with the Greek School, Petros was active on the Greek School board, not as a voting member, but as a representative of the Greek School, letting the board know of any updates or needs of the school.

The advantages of being a Greek School principal are having the chance to positively develop and impact children, embracing the Greek culture, being an active part of the Greek community and meeting other Greek people and working with them. It is a role that brings great fulfillment and keeps our Greek community strong and vibrant.

Petros has undoubtedly contributed much time, passion and commitment and has positively influenced many Greek families throughout his tenure at the Greek School. This is an important legacy that will be handed down to our younger Greek generations for years to come.

The Community Council, along with the Greek School Board, are tremendously grateful for Petros' many achievements over the years and we thank him wholeheartedly.
