COMMUNITY NEWS

The **Greek International Film Festival Tour of Canada (GIFFT)** is a showcase and celebration of Greek cinema and filmmakers of Greek heritage. The festival will provide an exciting platform for directors, writers, producers, and actors of Greek heritage to showcase their exceptional art right across Canada.

Regina will be one of eleven Canadian host cities of the GIFFT where we will be screening Greek feature films, documentaries and short films on **September 29th and 30th and October 1st**. All films will be screened at the Regina Public Library Theatre, 2311 12th Avenue, Regina.

Full information is available on the GIFFT website: www.gifft.ca where you can see the films, dates and venues. Here you are also able to purchase tickets online. We will also be posting information on the Regina Greek Events Facebook page and other social media.

The feature films we will be showing include:

The Right Pocket of the Robe: A lonely monk tries to manage the unbearable sadness and loneliness that suddenly and unexpectedly return, when he loses his only companion: his dog. Extreme emotions will make him converse with his past, and due to this –humble, for some– experience, he will reposition his course and his life.

Zorbas - The Real Story of George Zorbas: Alexis Zorbas from the 1964 movie "Zorba the Greek" is one of the most memorable characters in all of film history. "The Real Story of George Zorbas" is based on documents about the real life of George Zorbas (not Alexis) who worked in the mines of Pastrovas in Stoupa, West Mani and other places, but not in Crete. The story balances between logic and emotion in an informal clash of two

worlds from which a strong friendship is created by Zorbas and Nikos Kazantzakis, a giant of modern Greek writing and nominee for the Nobel Prize for Literature in nine different years.

Fantasia: October 1993. PASOK has won the election, 'Ciao Antenna' is screened on Greek television and Diogenes Pallas' program has been hitting successes like "I'm very solvent, stay with me pregnant." A young singer (Foteini) with a singular voice, arrives in Athens from the province to sing in the nightclub, Chandres, owned by a veteran bouzouki player, Christakis. A folksy-pop singer, Kokkinos, will meet and fall in love with Fotini. This meeting will change the lives of those three forever.

My Name is Eftihia: Inspired by the life of the most prolific Greek female poet and lyricist, Eftihia Papagiannopoulou; an extraordinary woman and artist who has created a massive volume of timeless and popular songs.

She traveled from Smyrna to Greece. She lived every day of her life as if it were her last. She wrote incessantly on any surface she could find. Her name means Happiness, but destiny made sure she knew very little of it. She challenged death every day of her life, hoping to ward off its cold, ruthless grip.

Also, prior to each feature film, a short film (or two) will be screened such as "Good Times Coming", "The Ride", "Greek Philosophia and Chickens" and "My Dad's Diner".

We hope you can all join us and make this event yet another success!!!
