The Agape Vesper – Sunday, May 5th

The Agape Vesper is a service that continues the celebration of Pascha. At this service, the Gospel reading depicts the first appearance of the risen Lord to His disciples and is recited in many languages, symbolizing that the glorious resurrection of Christ is proclaimed to all the nations of the world.

Parishioners hold lighted candles which represent Jesus, the Light of the World, bringing light to mankind. Also, the words "Christos Anesti" or Christ is Risen are proudly proclaimed by all worshipers.

We invite you all to come to as many services as possible and especially to attend the Agape Service. The last few years, children from our community have read the Gospel. It is such a beautiful service, and to have our kids read the Gospel in different languages is so special. Please contact Father Spyridon Vandoros at 306-539-1153 if you would like your child to read the Gospel in French, Italian, Latin, German or any other language.

Proceeds from this year's event will go towards The Health Arts Society. As a registered non-profit charity, Concerts in Care brings professionally performed live symphony-style music to care homes in Regina and surrounding areas. Their live music performances have provided solace, stimulation, and joy to many.

Their work has been impactful to those who have lost control over the space they live in; many are unable to find joy in the simple enjoyments we take for granted, such as going for a walk, dining out, or attending concerts or events. Bringing a live symphony-style concert into a care home brings joy to many in isolation. Music has the ability to take people out of themselves for a few hours. Saskatchewan has one of the highest demographics of seniors in the country; with this, we are honored to support The Health Arts Society with this year's event. Please join us in buying a table of 8 or purchasing a ticket for the luncheon.
