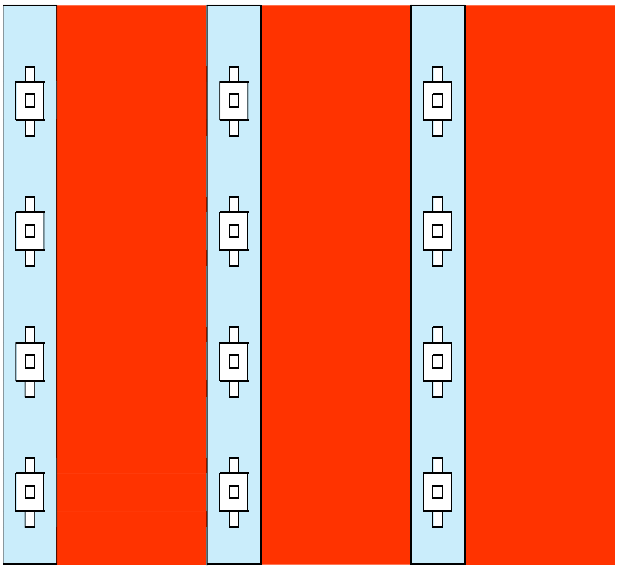
GREEK ORTHODOX SECTION OF REGINA FUNERAL HOME & CEMETERY

We would like to remind everyone of the importance of maintaining the Greek Orthodox section of the cemetery at Regina Funeral Home & Cemetery in a respectful and practical manner.

Each monument is installed on a concrete path, with sufficient space on either side for the placement of flowers, candles, holders, lights, and other memorial items. However, some items are being placed directly on the grass in front of the monuments. This creates challenges for the cemetery's maintenance staff, particularly when mowing the grass or removing snow during the winter months.

To assist with ongoing upkeep and ensure the area remains beautiful and accessible year-round, we kindly ask that all items be placed on **either side** of the monument.

We appreciate your understanding and cooperation in helping keep the cemetery well-maintained and respectful for all.



The light blue area represents the concrete rows that monuments are placed.

The red area represents the grass area.

Please do not place flowers, candles, candle holders, lights, etc. in the red area.
